

Staff Development Programme for Probationary Lecturers 2023 (Cycle 25)

Application deadline: 10th January 2023

The Staff Development Centre (SDC) of the University of Kelaniya will commence the 25th cycle of its “Induction Programme for Academic Staff Members of Sri Lankan Universities” in 2023.

The induction programme is open to all probationary lecturers in Sri Lankan universities and academics from other educational institutes in Sri Lanka. The successful completion of the induction programme, which is accredited by the University Grants Commission, fulfills the requirements for newly recruited staff members to successfully complete a staff development programme for purposes of confirmation in their positions as stipulated by the UGC. A large number of probationary lecturers from other universities and higher educational institutes have successfully completed this programme in the past years.

Participants may register either for the entire programme or selected segments of the programme.

The Staff Development Centre of the University of Kelaniya is the first SDC to obtain the ISO 9001-2015 accreditation from the Sri Lanka Standards Institution.
